Our Mission

*St. Mary Magdalen School Shares in the aim and purpose of Catholic School Education by concentrating on the total development of each student in Grades Pre-K through 8. *We value the human life that Jesus affirmed; thus our stress on Community, Respect, and Self-Discipline. We encourage the "best" in one another—to be all that God intended us to be and to help discover and develop each individual's God-given talents. Through traditional and innovative teaching we provide students with the necessary skills to live and serve in an every changing society. We strive to have children come to a greater knowledge of and friendship with Jesus as well as to have them enjoy learning and being who they are.*

***We" includes students, teacher, staff, families, alumni and parishioners.*

Through your participation in this major fundraiser, St. Mary Magdalen School will continue to provide a quality, Catholic education.

May God Bless you!
